

THE BANDS OF WANDO
HARMONY SPONSORSHIP PROGRAM

2024-2025 SEASON

THE BANDS OF WANDO HARMONY SPONSORSHIP PROGRAM

What is HARMONY?

The **HARMONY Business Sponsorship Program** is the band's fundraising program which engages local businesses to support The Bands of Wando, financially and in-kind (donating goods and services). The program offers every band member the opportunity to **reduce their Fair Share band expenses** by securing business sponsorships. **This is available to all band students/families in Wando Band ensembles.**

Many businesses are interested since this...

- shows their support of our award-winning high school band program
- we promote their business, and they increase their exposure to the local community

**** It's easier than you think, and we have step-by-step instructions and suggestions ****

We encourage all band members and families to secure at least ONE Harmony sponsor (and more if possible). This program helps fund a large part of the annual budget to maintain our band program and ensembles.

Is selling Harmony sponsorships a requirement of all band students/families?

- No, this is not a requirement. Pay your full Fair Share amount per the payment schedule.
- But it is **highly encouraged & recommended!** **Why?**
 - It reduces your Fair Share amount (*see chart above*). **Who doesn't want to pay less?**
 - It helps to raise money for our award-winning band program, ensembles, and travel
 - It helps local businesses gain valuable exposure to the local community

Is there a maximum limit to how many sponsorships we can sell?

- No, there is no limit to the number of sponsorships each band student/family can sell.

What if we accumulate more Fair Share reduction than our total Fair Share amount for this year?

- Once you have fully paid your Fair Share amount, any remaining Fair Share credit may be used for your band travel expenses (i.e. Regional or State trip expenses)
- At the end of the school year, if there is still a Fair Share credit in your account after all your Fair Share and your band travel expenses have been paid...
 - #1: The credit can be applied to the student's next year band Fair Share amount
OR
 - #2: The credit can be applied to another sibling's account in the Bands of Wando
OR
 - #3: Contact harmony@wandobands.org for instructions on how to proceed

Do the Harmony sponsorships for this year automatically renew for next year?

- No, the sponsorships do not automatically renew. The family of the band student assigned to the current sponsorship has the **first opportunity** to contact the business next year for renewal. The renewal must be pursued by a deadline date, or the business will be contacted by the Harmony team for other arrangements of the sponsorship.
