

With a long history of excellence, the Wando Marching Band staff and students honor the past and are looking anxiously ahead to the upcoming competition season.

THREE KEYS TO SUCCESS

COMMUNITY SUPPORT

The Harmony Sponsor program offers local businesses and organizations the opportunity to have a positive impact on the students in the program. Your support helps to cover expenses and offsets students' band program fees. The school district does not fund the marching band program.

FAMILY COMMITMENT

Each participating student's family makes a financial commitment to meet their student's costs. Travel, uniforms, instruments, food, hotel stays, and private lessons are but a few of the expenses required for students to compete at local and national levels. This year's return to Super Regionals provides students and families a unique and rewarding growth opportunity.

STUDENT DEDICATION

More than 200 students will dedicate over 200 hours each. They will cultivate honor and respect for themselves and others, learning the value of teamwork, a strong work ethic, and becoming goal-oriented. Students will take these new skills with them into their classrooms, communities, and future endeavors.

THE BANDS OF WANDO

The Bands of Wando's comprehensive program offers vast and varied opportunities for students to pursue their goals and passions, and to utilize and refine their skills and talents. Four separate Concert Bands and two Jazz Bands provide top-quality classroom instruction, assessments, concerts, and community performance opportunities throughout the school year.

This talented collective of student musicians, Color Guard, and leaders represent grades 7-12. The season begins with rehearsals in May and will culminate when the students, staff, and dedicated team of volunteers return to Lucas Oil Stadium in Indianapolis, once again representing Charleston County on an important regional stage.
